The Foreword

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time.

—Longfellow

The sands of our time are running out. Here we are, two-thirds of the way through the 20th Century, and what have we accomplished? Not much, perhaps, but we have left our marks upon the sands. God grant that they may be as lights to those who shall follow.

As we planned and worked on this 1967 YAN-TAT we had one purpose in mind; to set forth something which would hold the memories of school days intact for the graduates, and to stress the inspiring message in Longfellow's famous poem.

If we have been successful in any measure, we humbly give thanks to God, the Giver of all gifts and the Master of all works.

MRS. E. G. STRADER

It is because of her work and ability in her field that this dedication is made.

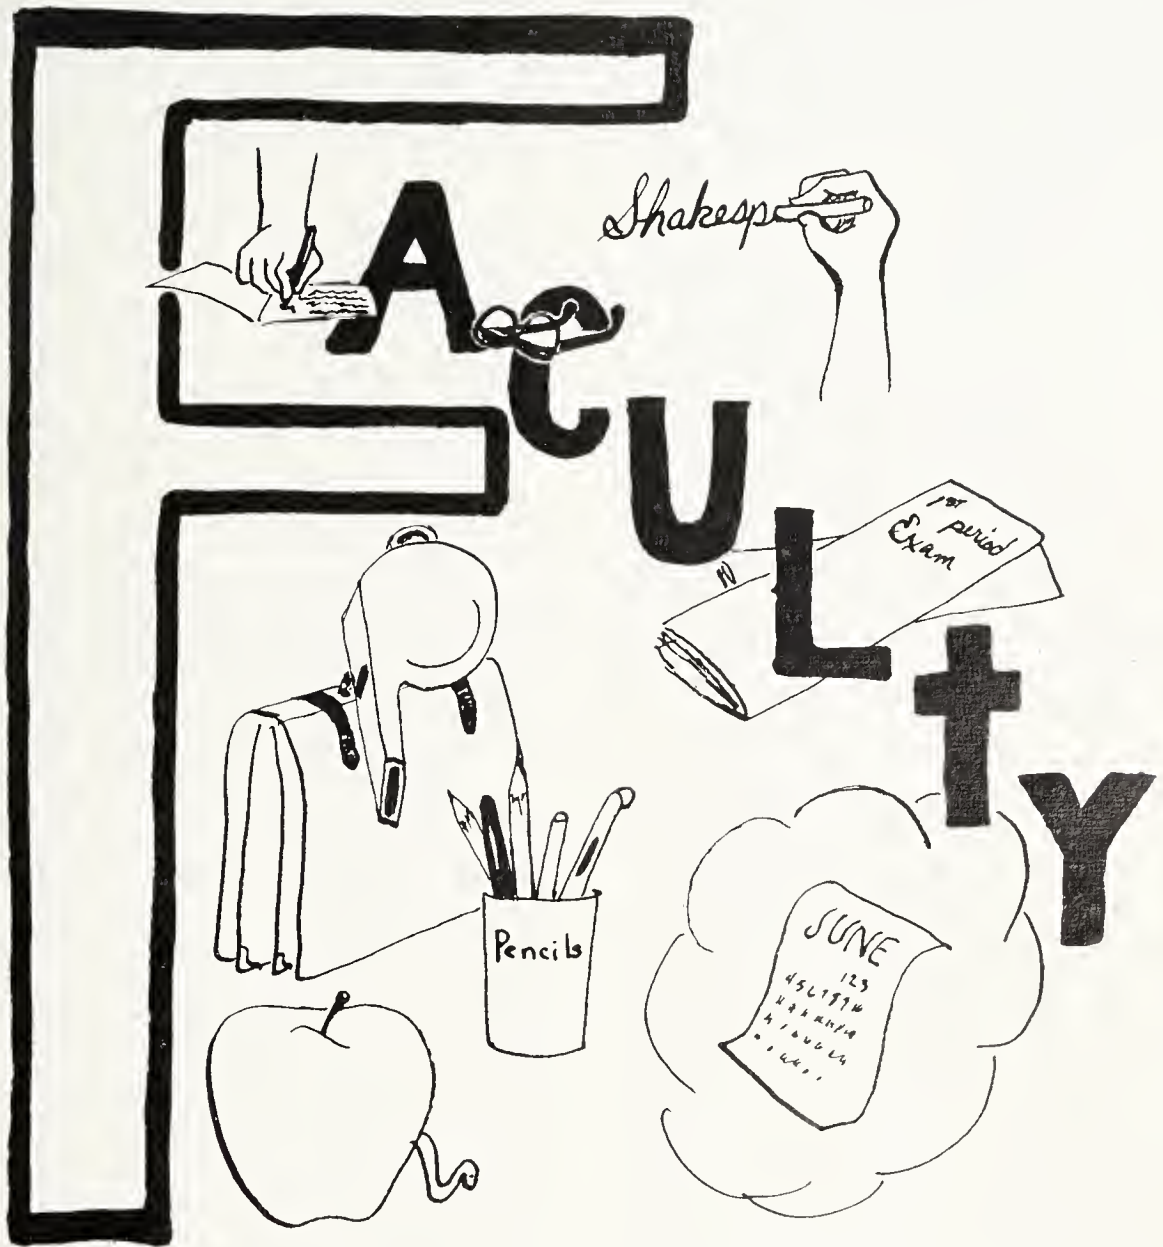

For her fairness and interest in each student, and so with sincere love and admiration we, the graduating class of 1967, proudly dedicate our yearbook to MRS. E. G. STRADER.

ACTIVITIES

Student Council

The Student Council is set up to help both the faculty and the students in their relationship with one another. It is something called the "right arm" of the student body. Serving as the voice of the students, it also supports and strengthens other school organizations.

The Student Council consists of members chosen from each homeroom. These students are chosen for their leadership and co-operation.

The goal of the Student Council is to help improve our school, and help other students to accept the responsibilities that are rightfully theirs.

F.H.A.

The Future Homemakers of America is a national organization of students studying homemaking in high schools. The F.H.A. strives to promote a growing appreciation of the joys and satisfactions of home-making.

The purpose of the F.H.A. is to emphasize the importance of worthy home membership, to encourage democracy in home and community life, and to work for good home and family life for all.

F.F.A.

The Future Farmers of America or F.F.A. as it is commonly called is a national organization for urban and farm boys from 14 to 21 years of age. It was organized in 1928 by some devoted agriculture teachers who felt that farm boys needed more than just learning how to farm. Since then it has become one of the greatest organizations for boys in the world. It not only has an active membership in the U. S., but in Puerto Rica also.

The primary aim of the F.F.A. is to develop aggressive, competent leadership. No time in our nation's history has the need been so great.

The F.F.A. is a natural and practical program which believes in having by doing. It helps to explore careers directly related to agriculture and to recognize a need for continuing education.

A high school paper has a high educational value to student workers and a special value and acceptability to student readers.

The purpose of a school paper is to publish the news and events of student and school life. It may also be a springboard for those students who will pursue careers in journalism or allied fields, where it helps to know how to write clearly and concisely.

The school newspaper reflects the kind of school it represents. So, it is very important that it be at its best.

Stanley Whitlow, President; Kay Jeffress, Vice-President; Shirley Lassiter, Treasurer; Judy Stokes, Secretary.

The Beta Club is a national organization for boys and girls. Membership is based on good mentality and character, creditable achievement and commendable attitude. The scholastic average varies according to the local club. The scholastic average at Yanceyville is ninety-two.

The BARTLETT YANCEY CHAPTER of the FUTURE TEACHERS OF AMERICA is a relatively new organization in our school. It is composed of boys and girls who would like to center their careers around the teaching profession. The members of the club get experience by observing a teacher and her students while having class. They learn how the teacher carries out the lesson and the reactions of the students. The experiences are very helpful to a Future Teacher.

*In Conclusion,
The inevitability of graduatness*

As the year rapidly passes away, the Seniors of 1967 pause to pay their respect to BARTLETT YANCEY. Many changes have taken place through the years, within our school and within us.

To thee BARTLETT YANCEY, we give our heartfelt praise and adoration. To you, our guiding spirit, who inspired in us future dreams of success and worth.

As the years pass, no matter where we are or what may be our lot, we shall remember thy teachings. Memories of youth and happiness, truth, and understanding have you given unto us.

In years to come, we'll return many times in thought to thee. Hail, dear BARTLETT YANCEY, may you live on until eternity.
